Fatima - Continued Visions

She prayed constantly in making decisions about her vocation, and about her mission of spreading the message of Fatima. But only occasionally after 1917 did she receive special revelations:

- ❖ **December 10, 1925: Our Lady appeared, requesting the devotion of the Five First Saturdays, with Confession and Communion, to make reparation for sins against Her Immaculate Heart.**
- ❖ **February 15, 1926: The Child Jesus appeared, encouraging Lucia to make efforts to spread this devotion, in spite of reluctance of superiors. (*Fatima in Lucia's Own Words: Sister Lucia's Memoirs* mentions that Our Lord appeared again later and complained that many who start making First Saturdays do not finish them.)**
- ❖ **June 13, 1929: Our Lady appeared, asking specifically for the consecration of Russia to her Immaculate Heart.**
- ❖ **May 1930: Our Lord explained to Lucia five types of offenses and blasphemies against Mary's Immaculate Heart, and the proper fulfillment of the First Saturdays devotion.**
- ❖ **1936: Our Lord explained the necessity that the official consecration of Russia be carried out by the Holy Father and the whole Church; and that it *will* be done, although late.**
- ❖ **May 13, 1942: Our Lord appeared and clarified the nature of the sacrifice he was now requiring to make reparations for sin.**
- ❖ **In 1943, Lucia was seriously sick and in danger of death, the Bishop of Leiria visited and ordered her to write down the third part of the Secret. She protested that she had no order from heaven to do so, but the bishop said the responsibility was his and reminded her to be obedient. This caused great distress. She tried a number of times to obey the command, but her hand froze.**
- ❖ **Finally, on Jan 3, 1944, Our Lady appeared, and said, "Do not be afraid, God wanted to prove your obedience, faith, and humility. Be at peace and write what they order you, but do not give your opinion of its meaning." Lucia explained thereafter that she could only repeat the details of the vision, but not divulge Mary's explanation.**

Lucia made very few comments about the future, though a couple mentioned Portugal: "In Portugal the dogma of the Faith will always be preserved." But: "If Portugal does not approve abortion then it is safe, but if approved it will have much to suffer."

The Five Offenses against Mary's Immaculate Heart

1. Blasphemies against the Immaculate Conception
2. Blasphemies against her virginity
3. Blasphemies against her Divine Maternity, refusing to accept her as Mother of mankind
4. Those who spread indifference, disrespect, or hatred for Mary
5. Those who revile her directly in her images
